Public Participation Goal

Provide the public with balanced, objective information to understand the issue, alternatives opportunities and proposed solutions

Obtain public feedback on analysis, alternatives and decisions

Work directly with the public throughout the process ensuring concerns & aspirations are understood & considered

Partner with the public throughout decision making including alternatives and identifying solutions.

Place the final decision in the hands of the public

Our Public Promise

We will keep the public informed

We will keep the public informed listen to and acknowledge concerns and aspirations and provide feedback on how public input influenced the decision

Partner the public to ensure concerns and aspiration are reflected in the alternatives developed. Provide feedback on how they influenced the decision

We will seek public advice and innovation in designing solutions add advice and recommendations into the decisions to the maximum extent

We will implement what the public decides
