

Future Grenfell Support

Don't miss out on your chance to shape the support for the immediate community near Grenfell Tower from 2024 to 2028.

The new support is for **everyone**. What the support is, who it's for, and who delivers it, is entirely up to you. But we need to hear your views in order for the support to truly reflect what **you and your family** want to see.

Workshops

Thanks to everyone who has come to a workshop so far. We're organising some more meetings to make sure everyone can share their views.

These discussions will be the same as the meetings we've already had, but there will then be more workshops in January to talk about what we do next.
