

# K&C Together

**Harness your experiences and use your voice to create positive change**

**Do you want more say in how local voluntary and community services in your area are run?**

Join the Kensington and Chelsea Together Programme to find out how you can influence decisions, empower local organisations to live their values, and help to run services that are relevant to community needs.

**Get information, training and support to take on a paid or voluntary decision-making role.**

Find out how and where you can use your skills, experiences and passion to influence decisions affecting your community. Join a local organisation or project as a trustee, director, staff member, steering, working or advisory group member.

**Join the K&C Together Programme to...**

- ✓ Feel confident about the strengths and skills you have to contribute.
- ✓ Learn how decisions are made and hone your influencing skills.
- ✓ Get tailored support to search and apply for relevant positions.
