# Going Car Free

Local, national and international accessible travel advice

**UK Arrivals**

**If you have restricted mobility, are considering retirement from driving or have a disability, we will aim to provide all the answers you need for stress free travel without a car.**

If driving isn't possible or not your preferred method of transport, our Hubs Mobility Service offers FREE impartial advice on accessible transport and services such as:

- Accessible buses and coaches
- Easy access rail and air travel
- Community transport
- Rights as a disabled passenger
- Hiring or purchasing the right scooters and wheelchairs
- Local, national and international travel planning

Provided by 15 of the many Driving Mobility centres in England, we can also advise you on accessible venues and locations along with lifestyle choices and inclusive activities.

Find out about stress-free leisure and business travel when living with additional needs. Our expert team are ready to get you going car free!
