Join us for an engaging and informative session that will empower your organisation's property strategies.

Date: Thursday 5th June 2025

Time: 12 p.m. - 1 p.m.

In this informative, accessible webinar run by EPF's experienced solicitors and surveyors, they will cover the basics of how to read a lease so that you understand what you are signing, how it affects your organisation and how to manage your relationship with your landlord.

The webinar will help you:

- **Understand the lease process and why it matters.**
- **Work your way through a lease calmly, understanding with confidence the common words and phrases used.**
- **Understand what a lease legally obliges your organisation to deliver and what your landlord is responsible for.**
- **Evaluate the reasonable and unreasonable elements in a draft lease and how to negotiate to your advantage.**

Participants will receive an information pack with the opportunity to obtain free follow-up expert advice.

The Ethical Property Foundation is the go-to property advice charity supporting the UK voluntary sector. Incorporated in 2003, it is the sole referral partner to the Charity Commission for land and property advice.
