

Community Health and Wellbeing Worker Apprenticeship Level 3

Duration:

12 months plus 3 months
for End Point Assessment

Develop the skills and confidence to support individuals and communities to improve their health and wellbeing; and play your part in tackling health inequalities.

What the programme offers:

- Flexible online/hybrid delivery, designed to fit around your working week
- Experienced tutors and assessors with real-world community health expertise
- Tailored information, advice and guidance
- Dedicated one-to-one support from enrolment through to Apprenticeship Assessment

Eligibility: Applicants must be aged 16 or over, in paid employment in a role relevant to the apprenticeship, and have the right to live and work in the UK.
