London Resilient Communities is returning for a second year, launching 1 December 2026

LONDON RESILIENT COMMUNITIES

London Resilient Communities is a London Resilience funded programme that supports the capital's voluntary, community and faith sectors to be more resilient in the face of emergencies

SCAN ME!

LONDON RESILIENT COMMUNITIES

The London Resilient Communities programme will provide:

- **Support for 20 organisations to become a Community Resilience Hub:** free training, support, a £1,500 grant, and connection with other Hubs and the wider resilience network across London, including the London Communities Emergencies Partnership (LCEP)
- **£500 event grants for 4 Community Resilience Hubs from year one:** to host inspiring events showcasing community resilience
- **Free community resilience webinars, open to all:** building on the series from year one
- **Regular updates:** sign-up to the programme via our webpage for updates, training and learning opportunities

What you can do now:

- Register for the launch webinar on **Tuesday 1st December 2026, 10-11am**
- Spread the word within your networks
- Sign-up to the programme
