What have we done so far?

In September, we began asking for thoughts and ideas about the future memorial.

In the conversations so far, people have been asked:

- what do they think the memorial should be like?
- how would they like to describe it?

The themes we have heard so far are overleaf. What do you think about these?

We really want to hear the thoughts and ideas from more of you. In the coming months, we will also be asking what you think about the physical 'form' the memorial should take.

Have your say about the memorial

Kaizen, a community engagement specialist, is supporting us by holding these conversations with bereaved families, former residents of Grenfell Tower and Grenfell Walk, Lancaster West Estate residents and the wider community. We are planning for these to continue until May 2021.

Kaizen do not have your phone numbers or email addresses, so please contact them directly:
