

Cheyne Children's Centre 'Safe Space'

Partners guide on use of 'safe space'

1st June 2020

Following Government advice and in the interest of public safety Children's Centre buildings in RBKC closed on 23rd March 2020 with Holmfield House remaining open as an Operational Hub. In line with government guidance as we welcome back our shielded staff and following the success of safe space at Holmfield House, from 3rd August 2020 Cheyne Children's Centre will open to accommodate staff on rota basis and also offer a safe space for partners. The Centre will also be a collection point for vitamins and Food Vouchers.

The Centre is available for collections and appointments Monday to Friday between the hours of 10am – 12 *and* 1 - 4 pm on a bookable basis.

The Centre has undergone a comprehensive risk assessment and achieved its COVID 19 safety certificate which is displayed in the centre.

Booking a slot

Email: childrenscentresnorth@rbkc.gov.uk or judy.matthews@rbkc.gov.uk

The following information will be required to confirm a booking.

1. Name and address of Family (non-contact signing in to comply with Health & Safety)

2. Safe Screening

All visitors to be screened to ensure they are as far as possible symptom free.

All visitors should be asked:

"To protect staff and children in response to the coronavirus pandemic, please can you confirm if you or anyone in your household are currently unwell or displaying a high temperature or new cough?"

If NO to displaying symptoms:

Booking can proceed. Visitors will be asked to maintain 2 metre distancing and to wash hands on entering and leaving building

If YES to displaying symptoms:

Advise the visitor that they will not be granted access to the centre as per our new guidelines to protect Service Users and staff. If they are a Parent/Carer please advise them to stay at home and give them information on how to self-isolate from the first day of displaying symptoms. If anyone on site starts displaying symptoms they should be asked to return home and begin social isolation of 7 days (14 days for anyone else in the household)

Any incidents pertaining to visitors and Covid 19 should be reported to:

Judy.matthews@rbkc.gov.uk

Serita.kwofie@rbkc.gov.uk

These processes will be looked at and updated in accordance with Government requirements.

With effect from 3rd August 2020, all visitors will be temperature checked upon entering the building and in order to comply with track and trace visitors will be asked for email and mobile phone contact details and their temperature will be taken and logged.
