

Worried about the incoming rise in your energy bills?

Join us for a session at the ClementJames centre where the Green Doctors team will advise on:

- Staying warm in your home- Why it is important
- Saving money on your energy bills – the current energy situation
- Improve energy efficiency in your home - learn tips on how to save energy
- What help is available for eligible residents: home visits and telephone consultations
- How to book a consultation

Come to our session on:

Wednesday, 23rd March 10am - 11am

If interested, please let us know via email at advice@clementjames.org or call reception at 0207 221 8810
