

HEALTHIER HOMES GREEN DOCTORS SCHEME

Climate Change Team – 16th April 2018

Healthier Homes Green Doctors

Is your home too cold?

THE ROYAL BOROUGH OF
KENSINGTON
AND CHELSEA

Does this affect your health? Do you find it hard to pay your energy bills?

Living in a cold home can make a range of health issues worse, including respiratory and circulatory problems. The Council has partnered with Groundwork London to help make your home warmer, saving you money and improving your health.

What's included in the visit?

- Free installation of energy efficiency measures such as energy efficient light bulbs, draught-proofing, radiator panels and energy monitors and water saving measures
- 1-2-1 advice on fuel switching and making your home energy efficient
- Income and financial support
- Help with claiming benefits related to energy costs
- Free seasonal Warm / Cool Pack
- RBKC Healthier Homes Scheme Referral
- Help with social isolation

The Green Doctors can put you in touch with:

- Health and well-being services
- Fire safety checks
- Benefit checks
- Handyperson schemes
- Befriending programmes

Do you qualify for this free service?

Yes, if any of the following apply to you:

- Aged 16-25 and on a low income
- Over 65
- On a low income, pregnant or with children under 14
- Young parents aged under 35 on low income
- Respiratory or cardiovascular disease on low income
- Severe mental illness or dementia on low income
- Multiple health issues, physical disability or suffering from long term illness on low income
