Third Sector Transformation Update

**Kalwant Sahota, West London CCG
Jenny Greenfield , KCSC**

Objectives/Scope

- Commitment from the CCG to support a robust third sector provision within a changing NHS landscape
- To enable the third sector is representative at all levels cross the local NHS and across NWL
- Continued engagement and information both given and gathered from groups to develop strategy for supporting smaller and BME groups
- Agreement with the voluntary sector of which model/vehicle is required for initially the Alliance Agreement and following on the MCP.
- Develop new models for integrated care and out of hospital working in collaboration both with voluntary sector and public sector

Progress to date

- Linking in with Primary Care Networks
- Third Sector to host NHSE funded Social Prescribing Link Worker Roles
- Third Sector represented at key integrated care meetings
- Local Third Sector represented at NWL wide level
- Ensure that the learning from Grenfell is embedded into the Transformation programme

Renewing KCSC's Community Interest Company

- VCO's invited to attend initial meetings in 2018
- Transformation Steering Group set up
- Memorandum of Understanding developed
- Transformation Action Group set up (late 2018)
- 'Vehicle' for delivering larger contracts discussed
- New governance structure for the CIC agreed

CIC Governance Structure

- KCSC is the shareholder
- Board of 7 Directors – 5 from VCO's
- Advisory Council – 5 (different) VCO representatives
- Programme Management Group – with VCO rep's
- Ad-hoc Working Groups – with VCO rep's
- Support from KCSC staff

Community Health West London

- CIC now set up – and named!
- Website in development
- Next steps
