Let's end homelessness together

Housing Needs Research

- E.g. poor conditions, overcrowding, social isolation, sofa surfing, homelessness
- Social housing, private rented, owner occupation
- Diversity impacts on housing need: Gender, ethnicity, age, sexuality, disability etc
- Health impacts
- Barriers/challenges in obtaining help?
- Aim: Improve the Councils Service

Methodology

- Peer Research: training and meeting with people in housing need/experience of housing need
- Meetings with providers of services
 - Housing
 - Community centres
 - Advisory services
 - Health and Social Care

Your Help

- Understand the issues your clients are facing
- Locality and demographic characteristics
- Focus Group on 30th March 11.30 or
- Send feedback
- Can you facilitate resident meetings: Grant available for your support
- What can RBKC do?

For Now

- What do you think are the key issues: top 2 issues
- Who in particular is facing these problems and why?

30th March Focus Group

- Would anyone like to attend to explore these issues further and discuss possible solutions

Contact: karen.patten@homelesslink.org.uk

And/or

- Facilitate meetings with local residents in housing need/
experience of housing need w/c 5th April

Contact: chris.brill@expertlink.org.uk
