Community Safety Review

Stuart Priestley
Chief Community Safety Officer

THE ROYAL BOROUGH OF
KENSINGTON
AND CHELSEA

Why Review?

- Not undertaken a Community Safety Review since 2012
- Changes at the council
- Police BCU changes
- Reductions in funding

The objectives of the review:

- To identify the community safety outcomes that the Council wishes to achieve in the years 2019-2022; and
- To make recommendations for the configuration of community safety services required to deliver these outcomes, within a specified budget.

The services in scope:

- the Community Safety Team;
- Community Safety funded projects and services;
- Council funded Community Police Team; and
- the funding arrangements for the management and maintenance of the Council's CCTV service.

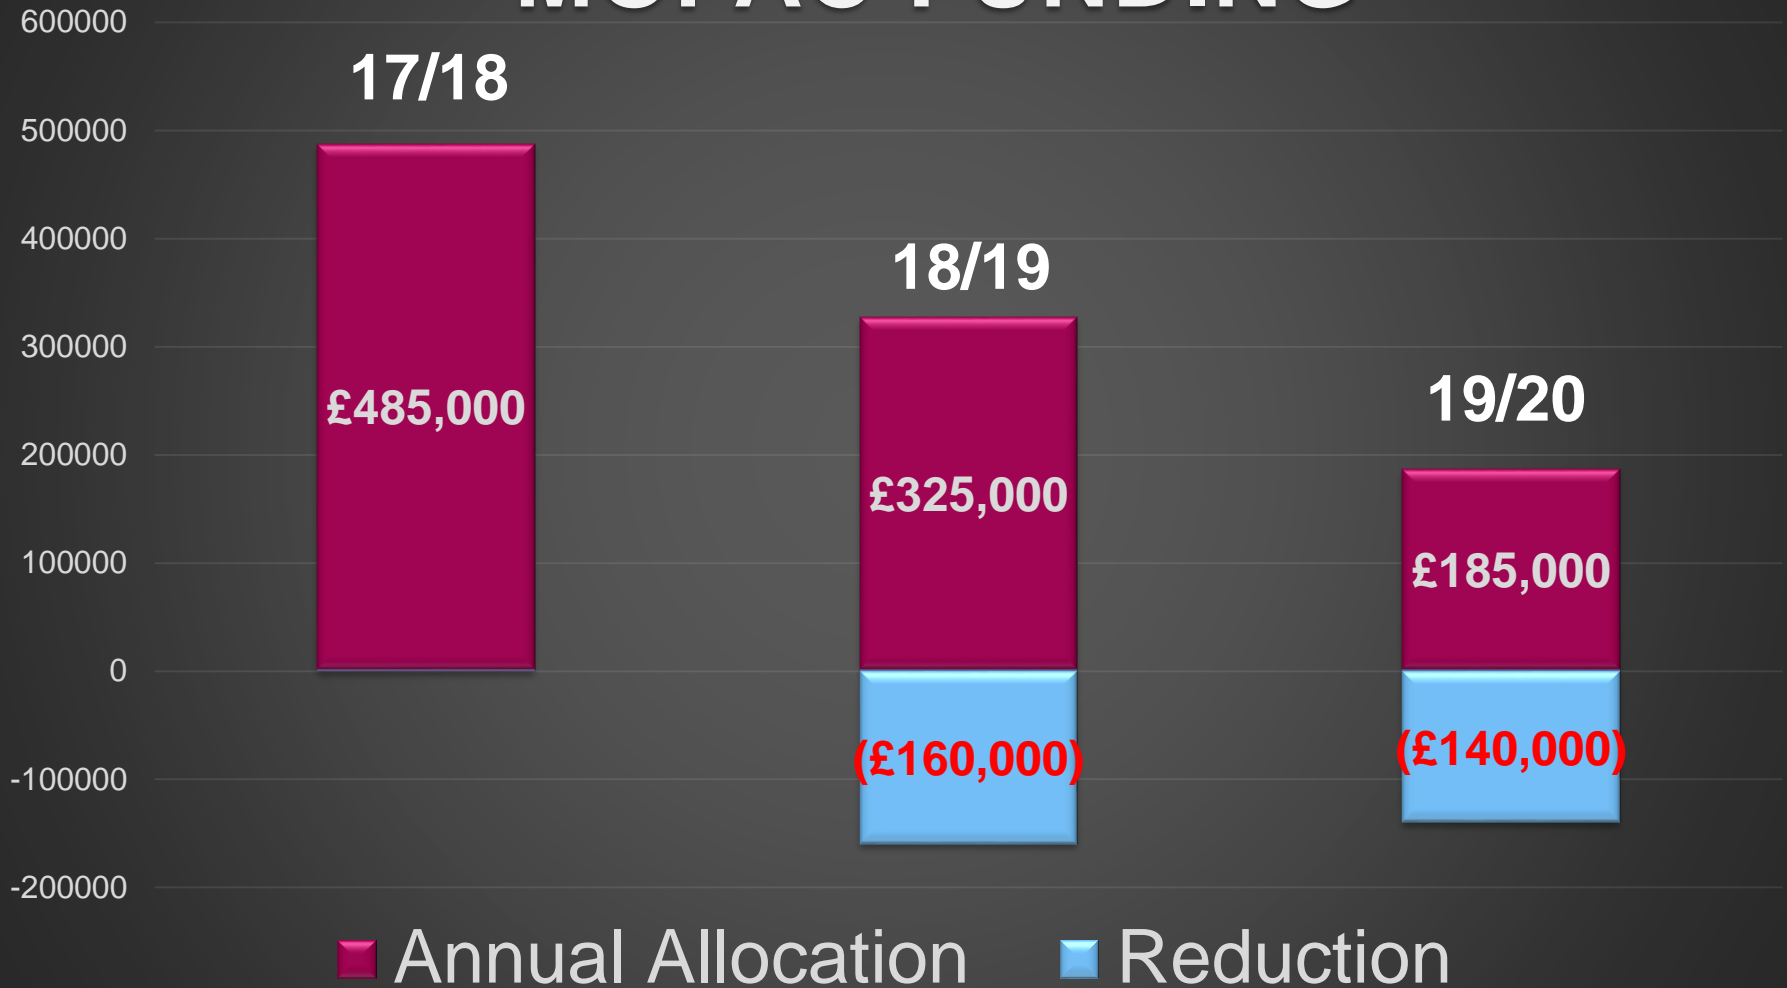

Approach

Jonathan Toy Associates was appointed to undertake a Community Safety Review of services.

- Review of key documentation
- 50+ interviews (Council, External Partners, Residents, Focus Groups, Community & Voluntary Organisations, Young People)
- Engagement with residents via public meetings
- Police Ward Panels
- Engagement with Executive and Corporate Scrutiny Committee; Safer Neighbour Board and Safer Kensington & Chelsea Partnership
- Produced a report with **33 recommendations** for the council to consider.
