## **The Great Hall**

Kensington Town Hall  
Hornton Street W8 7NX

---

Voluntary organisations provide many different services to local people. This event will help shine a light on this valuable work. If you work in the public or voluntary sector to deliver services in Kensington and Chelsea then join us to hear about the work our local organisations do and build even stronger relationships that help deliver better services.

# VOLUNTARY SECTOR

In Kensington and Chelsea

Kensington and Chelsea Council and the Social Council are proud to present an event to promote the services available to our residents from voluntary organisations in the borough. This is an opportunity for a range of stakeholders,

including voluntary sector staff, Councillors, council staff and public service officers to network, share their priorities and improve their knowledge and understanding of the voluntary sector in our borough.

## What's included?

- ▶ Speakers from our local voluntary sector and Lead Member for Communities, Cllr Anne Cyron
- ▶ A 'speed dating' session to get people talking and finding out more about services
- ▶ A range of market stalls from local voluntary organisations that provide services to our residents
- ▶ Light refreshments and opportunities to network

## Booking is required for anyone wishing to attend
