

# **Kensington and Chelsea Health and Wellbeing Board**

## **Joint Strategic Needs Assessment**

**Linda Thomas – Senior Policy Officer  
(Kensington and Chelsea Health and Wellbeing Board)**

**Sarah Carter – Programme Manager  
(Joint Strategic Needs Assessment)**

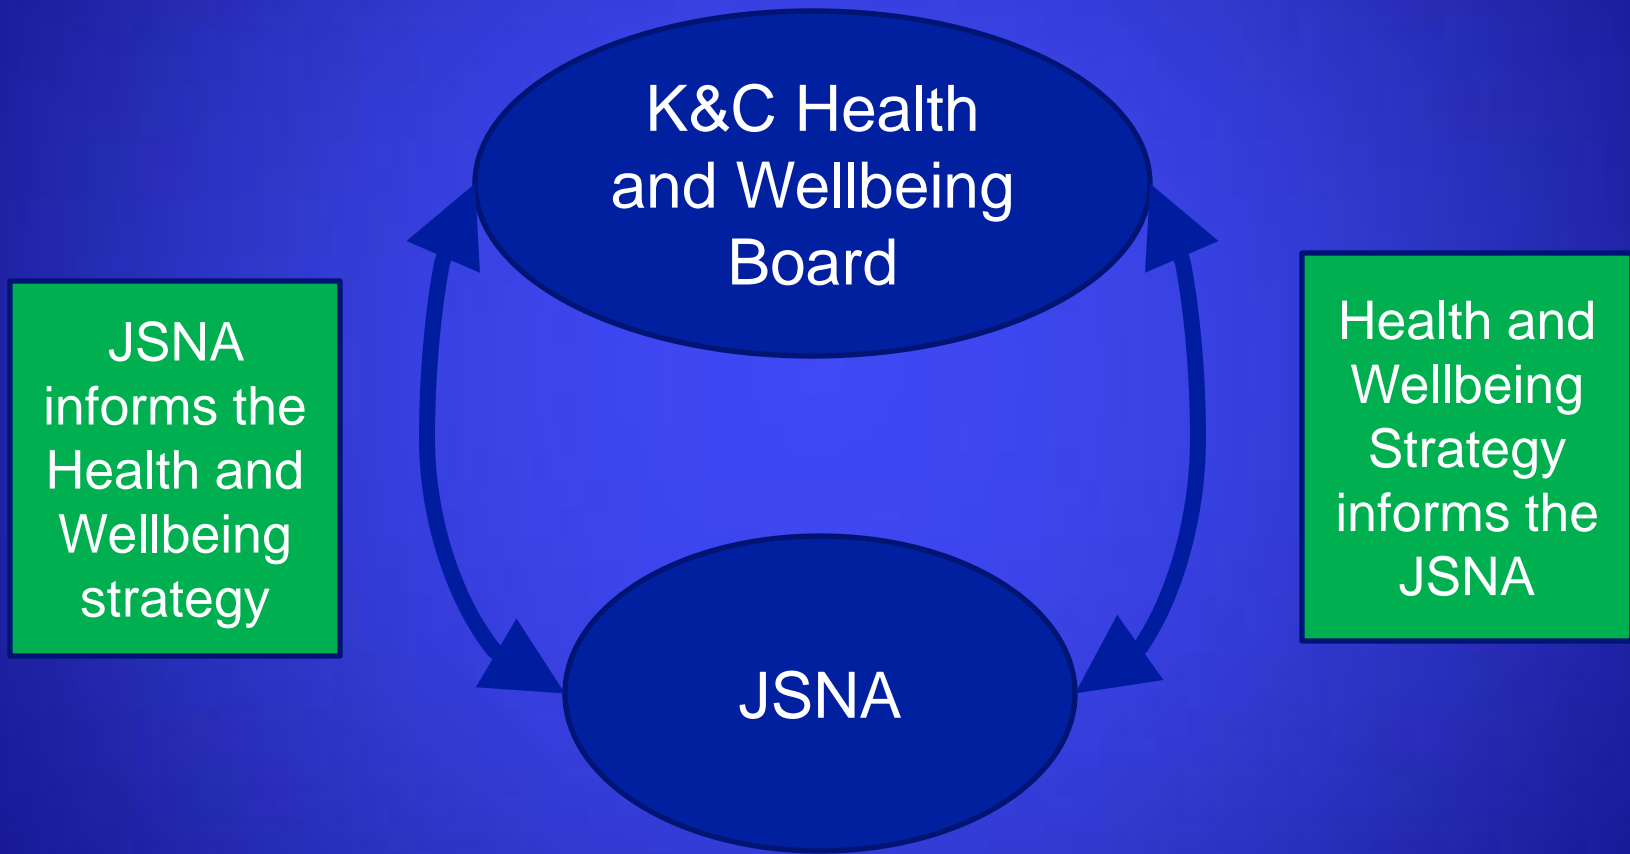

# Kensington and Chelsea Health and Wellbeing Board

- **What is it?**
- **Why do we have one?**
- **What will it do?**
- **How will it do it?**
- **How will it know it's successful?**

# Kensington and Chelsea HWB Core Strategic Values

- **Provide strong leadership**
- **Drive whole systems approach**
- **Enable fresh thinking**
- **Develop trusting relationships**
- **Hold to account and be accountable**
- **Take collective responsibility for shared outcomes**
- **Engage and include**

# Kensington and Chelsea HWB Responsibilities

# What is the JSNA in K&C?

Different types of analysis that show:-

- Population
- Wider Determinants of Health – housing, education, employment, deprivation
- Lifestyle – drugs, alcohol, smoking
- Burden of Disease – life expectancy, CVD, cancers
- Use of services – A&E admissions, social services
- Community perspectives – views and experiences of service users and wider community

# What can the Voluntary Sector offer?

- What data/intelligence does my organisation hold that I can contribute/put on the website?
- How can my organisation help the local authority and CCG hear the voice of local people?
- What innovative service ideas does my organisation have?
- Can we be more effective by joining forces with other vol orgs?

# **Kensington and Chelsea HWB**

## **Key work areas (priorities)**

- **Improve integration of services and systems**
- **Prevent fragmentation of services**
- **Improve hospital discharge**
- **Improve public health**
- **Tackle childhood obesity**
- **Tackle drug and alcohol problems,  
especially for those with mental health issues**

# Kensington and Chelsea HWB

We want Kensington and Chelsea to be a great place to live, work, learn and visit, where communities are safe and happy, and where everyone has equal access to services, advice and information. For those who require treatment, they should receive this closer to home and in a timely manner.
