

Organisation Development Transformation Programme

ODTP for short

Funding from WLCCG

- undertake transformation change to assist in the creation of a robust and sustainable third sector.
- facilitate the continued delivery of services to support self-care.
- enable the third sector to build resilience so that they can be active member's in future developments as the CCGs move towards Accountable Care Partnership (ACP).

What's different?

- About up-skilling and developing your organisation and your staff to enable VCOs to respond to the Health and Care transformation agenda
 - self-care
 - 10 year contracts and rationalisation
 - outcomes based commissioning, and rationalising outcomes across contracts
 - further integration of health and care services
 - focus on the whole person

Still in development

- Specifics of the programme are still being developed. Likely to include:
- Specific training programmes e.g. Information Governance
- Tools to help organisations transform
- Support for internal change and to take part in collaborative programmes
